Registration materials can be returned in person at Girls Inc., by fax to 770-499-2386, or by email to Bridget Trawick at btrawick@girlsincatl.org. Questions specifically regarding application materials can also be directed to Bridget Trawick at the email address above.

Your registration is not complete and your spot will not be held until we have received your completed application packet and your registration fee, this includes ALL supporting documentation.

You may pay your registration fee in cash, money order, check, debit card, or credit card in person or through PayPal on our website at www.girlsincatl.org.

Please note that when you register you are committing to pay for all weeks of Girls Inc. University you are registered for unless changes are made well before camp starts (please see payment policies for details). When you register for a week of camp we hold your child's space and turn other girls away so even if your child is later unable to attend you are still responsible for payment.

In addition, a parent/guardian for each participant is required to attend the mandatory parent orientation **Tuesday, May 29th 6pm-8pm.**

In Person Registration & Tours

The best time to drop off registration packets in person is at our **front desk between 2:30pm and 6pm** on days when Cobb County Schools are open. This will also be when we are able to notarize documents if necessary. You may also drop them off to our admin staff in the mornings however we cannot guarantee there will always be someone in the office outside of program hours.

If you would like to meet our staff and see our facility before you register, we would love to show you around. However, due to our other programming we may not always have someone available to do this. Please understand we always prioritize the girls currently in our care.

If you would like a tour and to discuss our programs in person, we recommend scheduling a tour in advance, by emailing Michelle Graves at mgraves@girlsincatl.org. We will also try to have someone available Monday from 5pm-6pm and Wednesday from 11:30-1:30 and 5pm-6pm, but due to programming constraints this cannot be guaranteed.

Waitlist

There will be 5 groups at Girls Inc. University:

- Freshman – Rising 1st & 2nd Grade;
- Sophomores – Rising 3rd & 4th Grade;
- Juniors – Rising 5th & 6th Grade;
- Seniors – Rising 7th & 8th Grade;
- Grads - Rising High School Students.

Each age-group will have no more than 20 participants to ensure high quality programming. This means Girls Inc. University will fill quickly! If your participants' age group is filled, you will be placed on a waiting list. Because you can register by the week, you may be admitted some weeks but not other weeks.

Girls Incorporated of Greater Atlanta

Attendance

Girls Inc. University hours are from 7:00AM to 6:00PM. Girls will not be allowed to be dropped off early even if staff are present in the building as this prevents staff from preparing for the day. All girls are to be picked up by 6:00PM or late pick up fees will be assessed.

Our primary program hours are between 9:00 AM and 5:00 PM. The hours from 7:00 AM to 9:00 AM and 5:00 PM to 6:00 PM are considered before and after-care and will be informal/wellness activities. Please remember parents are encouraged to join us for wellness activities!

We request that participants arrive by 9:00 AM and are picked up after 5:00 PM to take full advantage of our program. Participants arriving after 9:00 AM on non-field trip days will still be able to join programming as long as this is not a consistent occurrence, as late arrival is very disruptive to programming. If this is consistent, after discussions with parents, participants may not be admitted after 9:00 AM.

Unfortunately, girls arriving after their group has left on a field trip will not be able to attend that day, we are not able to delay field trips for tardy participants. Some field trips may be required to leave earlier than 9:00am; this will be communicated with parents in the detailed schedule available at parent orientation. We will do our best to return from all field trips by 5:00PM however there may be some instances where traffic or other unforeseen issues will force field trips return late. In addition, please remember that on swimming days your child may not be available for pick up until approximately 5:15PM due to time getting back from the pool and changing.

Parents/Guardians or authorized pick-ups are required to **come in the building and sign participants in and out of camp** each day. You are not allowed to simply drop participants off in the parking lot. Only people listed in this packet will be allowed to pick up the participant, and people picking up girls will be asked to show ID.

You are responsible for informing us if your participant will be absent on any given day. Please **call and inform Girls Inc. of absences no later than 9:00 AM.** This is especially important for field trip days.

Illness and Medication

Girls Inc. is not equipped to care for sick children. All Girls Inc. Program Facilitators are First Aid and CPR certified, however they have no other medical training. If a girl is unable to participate in the normal routine, the parent/guardian will be called and must come pick up the child. If a primary parent/guardian cannot be reached, Girls Inc. will contact alternate contacts provided for pick-up. **Participants are not allowed to come to Girls Inc. University if they currently have or, in the last 24 hours, have had a 1) fever greater than 100 degrees, 2) diarrhea or vomiting, 3) a contagious rash or illness, 4) obvious pain or discomfort and/or 5) head lice and pink eye. Some contagious ailments such as pink eye may require a doctor's notice that your child is no longer contagious to return to Girls Inc.**

While possible please give medications outside of camp hours. **Any medications girls must take while at camp must have written directions and signed authorization from a parent/guardian.** Medication must be in its original container with an unaltered label containing the child's name and the date. Medication will be kept with staff at all times in the groups emergency bag.

Behavior

Girls Inc. promotes self-discipline and works to create rules and structure that help each girl feel safe and secure while ensuring all girls show respect to each other, staff, volunteers and property. We also try to focus on incentives for positive behavior. When participants break rules, they are reminded of the expectations at Girls Inc. and discuss their behavior with staff, or take a short time away to calm down. Often this is all that is necessary.

Participants can also be given consequences designed to change future behavior such as writing down what they could do differently next time. Behavior issues on field trips may result in not being able to participate in future field trips as field trip environments often pose more risk. For behavioral issues a white slip will be sent home to parents to inform them of the issue and what is being done to address it. For repeated or more severe behavior issues a pink slip will be sent home. *If the behavior continues beyond this point, or if at any time a participant's behavior prevents other girls from receiving high quality programming, causes significant damage to or puts themselves, other participants, staff, or volunteers at risk, Girls Inc. of Greater Atlanta withholds the right to dismiss a participant from the program.*

Evaluation

Girls Inc. of Greater Atlanta is dedicated to providing high quality, intentional programming that moves girls forward to become strong, smart and bold women. To continue improving our programming to meet these goals, we utilize a number of different tools to evaluate the effectiveness of our programs. In addition, information from these evaluations is used to secure additional funding for our programs which help keep costs low for our parents.

These tools include, but are not limited to, summer pre and post-surveys taken by participants to measure content knowledge such as a survey of career opportunities that measures the effectiveness of Girls Inc. University career exploration and literacy tests that measure how effectively our program combats summer learning loss. These outcomes may also be measured by collecting materials produced by girls over the course of the summer. In addition, our staff will make observations regarding participants' skills, attitudes and knowledge and how they change over time. All evaluation materials, such as surveys, will be kept confidential. Any reporting done will be at the group level (i.e. 80% of girls...). Individual results will not be shared.

Belongings & Coming Prepared for the Day

Participants are expected to come prepared for all activities that take place during Girls Inc. University.

This means they need to wear comfortable clothes and shoes that they can move in. **Please do not wear any shoes that girls cannot run and play in, including teens** with the exception of professional dress days! Participants will not be allowed to remove shoes for activities, and if they are not appropriately dressed, they will not be able to participate. Participants must bring items for special activities such as a swimsuit and towel on swim days and socks on skating days. Girls may also have days they will need to dress up due to field trips in a business setting. All girls must wear their Girls Inc. shirt when they are leaving the building on a field trip. We are not able to accommodate participants calling on a regular basis to request items they have forgotten. Participants are responsible for all items they bring to camp. Girls Inc. of Greater Atlanta is not responsible for any lost or stolen items including, but not limited to, money, phones, or electronics.
